Governor-

I talked with Sean Cockerham today regarding Randy Reidrich. He wanted to know what your relationship was w/him. I told him there was no relationship. I also told him that you favored a change in leadership.

He would like to ask you more questions. I told him you had a full day and didn't promise anything. But just in case 2574344. Thanks

Fyi forgot to tell you Sharon that I met her in the seattle airport returning from DC. I appreciated that she was bold enough to come ontroduce herself, tell me she's still interested in working for our admin, etc. Just fyi for u to keep in mind if Privil's gig doesn't work out and/or we need admin support in Communications office for Anchorage. Beth and her gal can be in Juneau, sounds like... So let's concentrate on filling any and all Comm needs in Anchorage, as that's where everyone is nearly 300 days of the year. We won't worry about having enough resources for more in Anchorage office, we can squuze folks in, and our Gov's Office has enough $ as we switch Security funds and positions into Comm line items. Thanks

I know when security travels. The hotels are never put in your name. Yes if someone calls a hotel they let them know if a guest is registered when they ask specifically. We may want to not use your name when you travel without staff. Janice

Wonder if it's common for hotels up here to give out info on who their guests are. No need for Melissa to contact Ruby tho, or there will just ne more bad blood between them. I was just curious how public my schedule is since once in awhile it pops up that folks know where I am

Just landed. No. Me, janice and melissa and that's it as far as I know. I wouldn't be surprised if she called around to the hotels. I'll let melissa know. Melissa said she was in the office the other day wanting to know what your schedule was. She of course wouldn't give it to her and that was before you were booked at hotel.

The front desk just called to say "Miss Ruby" stopped by here at SpringHill hotel to say hi... How does anyone know where I'm staying? I'd go entertain her downstairs but am heading out, so if you hear anything you can let her (and anyone else know) that I wasnt dissing her, just catching up on emails and other things this morning. Any idea how anyone would know where I stay tho?

Got a call here at the hotel front desk from the stage director of the Dr. Suess musical here... (don't know how they knew where I was staying), inviting me to their opening performance today. Since I can't go I'm sending Piper and this lady will escort her for the two hour production, then I'll pick her up there at the play's conclusion. It's at Pioneer Park from 2pm til 4:10pm. Pls note on schedule.

We need to come up with some different strategies on travel. I was even careful and did not give out GOV calendar to communications as it had hotel info all listed. Ruby again may have let them know - she has been sending Piper gifts lately.
